

6th Workshop of the ANNA Group¹

PROGRAM

Madrid (Spain), 21-22 October 2010

Host: OBSA.....

As usual, we propose that the update session on the first morning will have short (no more than 15min) updates on ongoing projects and/or other relevant happenings. All other sessions (except the wrap-up) will have 45 min presentations including discussion. As usual, all presentations are oral (with handouts accepted).

¹ Aircraft Noise / Non-Auditory aspects. Previous meetings were held at Amsterdam - Vienna - Manchester - Stockholm - Edinburgh.
